

KARMA POLES

**Designed to last
No matter the conditions**

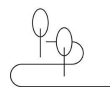

A versatile lighting solution designed for traditional architectural settings, the KARMA combines timeless form with durable composite construction. Its seamless one-piece body enhances structural integrity while preserving a refined visual profile.

Corrosion-resistant and UV-stabilized materials ensure long-term outdoor performance without maintenance or repainting. Available in multiple heights to support varied lighting applications.

Applications: residential streets, pedestrian pathways, landscaped environments

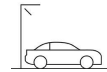

Park & Garden

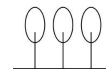

Hiking Trails

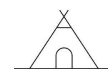

Places

Car Park & Rest

Pathways

Campsites
