

# BOHO POLES

**Designed to last  
No matter the conditions**

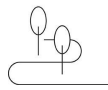

Rooted in classic outdoor design, the BOHO collection delivers long-term durability through seamless composite construction and maintenance-free materials. Its traditional profile integrates naturally into civic and heritage environments while ensuring reliable outdoor performance.

UV-stabilized and corrosion-free, the collection withstands demanding weather conditions without repainting or surface deterioration. Supplied with suitable cages for secure ground fixation.

Applications: public squares, parks, historic streetscapes

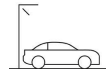

Park & Garden

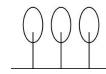

Hiking Trails

Places

Car Park & Rest

Pathways

Campsites
