ARGI POLES

**Designed to last
No matter the conditions**

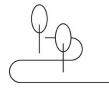

Defined by clean lines and minimal form, the ARGI RANGE delivers reliable outdoor lighting performance through seamless one-piece construction and maintenance-free materials. Moulded color throughout the structure preserves its appearance over time without requiring repainting.

UV-stabilized and corrosion-resistant, the range is designed for long-term durability in demanding outdoor environments. Integrated Class II insulation enhances electrical safety across urban and pedestrian applications.

Applications: contemporary streetscapes, pathways, commercial environments

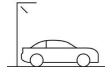

Park & Garden

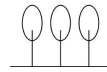

Hiking Trails

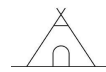

Places

Car Park & Rest

Pathways

Campsites
